

Chase touchdown stops Red Raiders

The Chase Trojans put six points on the board Friday night at South Point's Lineberger Stadium and that was enough to hand the Red Raiders a 6-2 defeat in a Southwestern 3-A Conference game.

The damaging blow came on a 71-yard pass play featuring the brother combination of end Rodney and quarterback Chuck McSwain. As Chuck McSwain was rolling on a pass-run option play, he spotted Rodney and promptly fired the strike to him for the game's only touchdown. The extra point kick was low, and Chase carried a 6-0 lead into the locker room at intermission.

The Red Raider rushing attack was

only able to net 49 yards rushing for the game and 17 yards through the air on three Jeff Williams completions. The equally strong Red Raider defense held the Trojan rushing attack to 74 yards on the ground and another 82 in the air, with the 71-yarder being the difference in the game.

South Point's safety came in the fourth period with a little over two minutes remaining in the game as Al James stepped out of the end zone with the ball, awarding the Red Raiders their only score in the defensive battle.

The Trojans are 3-0 in conference play, while South Point's record dropped to 2-1.
