**PRINCIPAL  
JOHN T. HAYES**

A hearty welcome to Lineberger Stadium and the many enjoyable football games that you will see here. We, the staff at South Point High School, are dedicated to helping each student here to become effective citizens in a democracy. We hope that you will participate in our varied activities that have been planned for our students, friends, and staff.

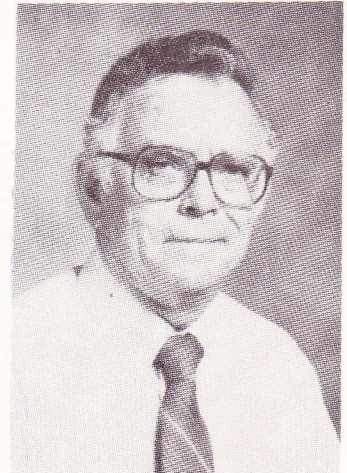

You have always, and I'm sure will continue to support our Big Red Booster Club and our Band Booster Club. Without your continued financial, physical, and moral support to these programs we would be unable to offer desirable experiences for our youth.

Thank you so much for your interest and hard work. You hold the key to our success.

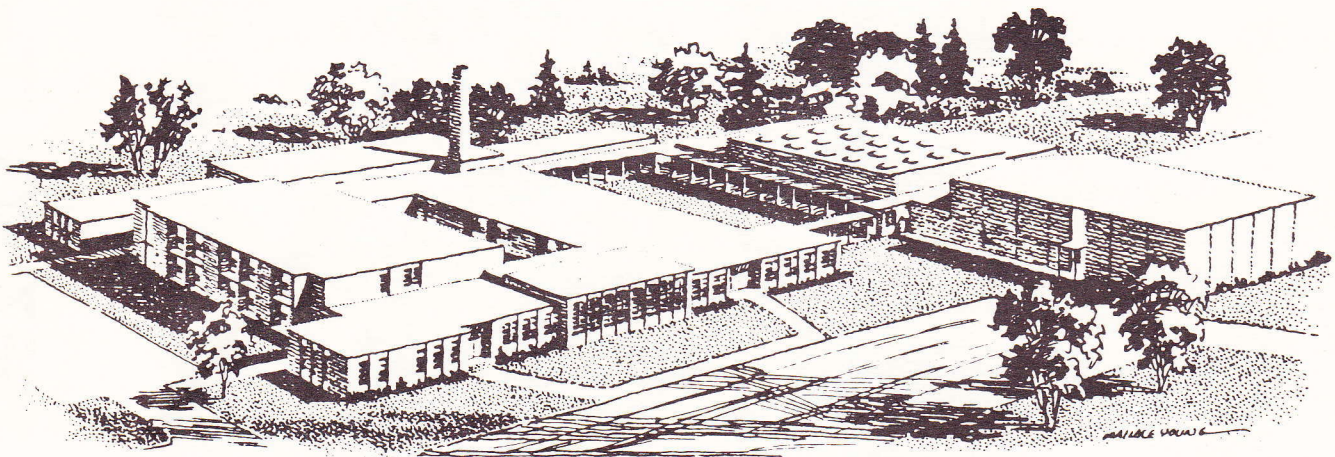

We are most fortunate to have community support second to none. I'm sure you can see the need and importance of extra-curricular activities in the life of your young people. As a great man said, "On the fields of friendly strife are sown the seeds that later on in other fields will reap the harvest of victory."

Thank you again for your support.

## BOOSTER CLUB

SOUTH POINT HIGH SCHOOL

The Big Red Booster Club is dedicated to the promotion of athletics at South Point High School. Supplementing the Athletic Department budget and promoting excellence in athletics are two ways in which the Booster Club contributes.

During the '86-'87 school year, the Big Red Booster Club raised over \$20,000 for the support of the athletic programs. Through these efforts we were able to purchase new uniforms for the boys basketball team, a PA system for the gym, fertilizer, lime and seed for the athletic fields, parkas for the football team, a new batting machine for the baseball team and sponsored the All Sports Banquet to recognize our athletes. The Booster Club also provided assistance in the major renovation of the baseball area. We provided carpet, fans and a PA system for the new concession stand and pressbox and a concreted area for the bleachers.

Without the Booster Club's contributions, many of the fine athletic programs would not be possible. All fourteen sports at South Point High School benefit from our fund raising projects.

Through your participation and support, we can continue to promote and develop our young athletes.

## SHRINE BOWL AND EAST-WEST GAME

Since Belmont High School and Cramerton High School consolidated to form South Point High School in 1969, several of the Red Raider stars have played in prestigious post-season games.

One of the highest honors a high school senior football player can attain is to be selected to play in the Shrine Bowl football game each December in Charlotte. It pits 35 of the finest North Carolina seniors against a similar group from South Carolina.

The attraction benefits the crippled child, and for a player to be chosen to the team is truly a player's dream turned into reality. The East-West football game in Greensboro, played each July during the coaches clinic there, is also a prestigious honor. South Point has been represented by the following:

### SHRINE BOWL GAME

1971—Scott Crawford  
1973—Jim Stowe  
1974—Roger Parker

### NORTH-SOUTH GAME

1975—Mike Painter  
1980—Todd Armstrong

### EAST-WEST GAME

1972—Scott Crawford  
1974—Jim Stowe  
1974—Dennis Grier  
1975—Roger Parker  
1980—Jeff Williams  
1985—Mark Young

# QUICK VAC WASTE SYSTEMS

Completely engineered and designed systems by Quick Vac, Inc. are offered to convey waste automatically from Yarn Manufacturing, Weaving, Finishing, Knitting, Cut and Sew and from Non-Woven Operations.

Waste from textile operations is automatically collected, automatically dumped from our new "low profile" receiver tanks and automatically baled in "low profile" balers; therefore, eliminating manual handling of waste materials.

From pick-up point to standard flat bales, our low profile equipment virtually eliminates

construction of Penthouses as shown above!

Waste can be divided and separated into as many categories as required, using high efficiency HOFFMAN centrifugal vacuum pumps as the back-bone for every system.

Quick Vac also offers complete conversions of your existing manual receiver tanks to automatic dump, manual sweep stations to automatic, and quick opening valves and plenums to remove waste automatically, where manual hose drops may presently be used.

— PLEASE CONTACT US FOR MORE INFORMATION —

Dear Fans:

Thanks for making our Sixth year of serving you a successful one. We are your Hometown American Value Dealer and we're proud to be a part of this growing community.

Our lower prices and better service have made us Gaston County's favorite dealer for Sales and Service. We're looking forward to opening another American Value car dealership shortly and promise the same hometown savings and service.

Regards,

ALL THE EMPLOYEES AT
