1270 WCGC — THE VOICE OF THE RAIDERS! 5000 WATTS — STEREO

A hearty welcome to Lineberger Stadium and the many enjoyable football games that you will see here. We, the staff at South Point High School, are dedicated to helping each student here to become effective citizens in a democracy. We hope that you will participate in our varied activities that have been planned for our students, friends, and staff.

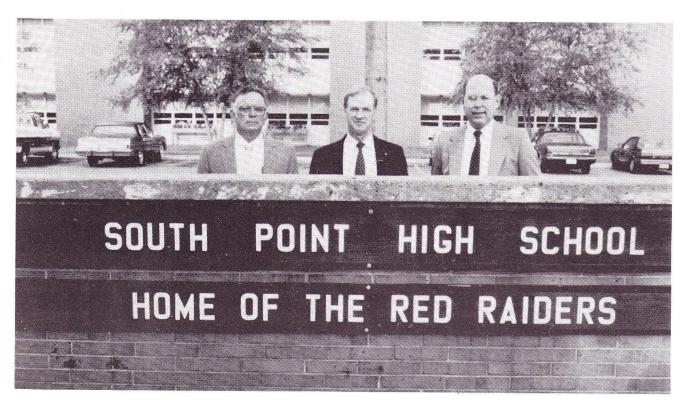

You have always, and I'm sure will continue to support our Big Red Booster Club and our Band Booster Club. Without your continued financial, physical, and moral support to these programs we would be unable to offer desirable experiences for our youth.

Thank you so much for your interest and hard work. You hold the key to our success.

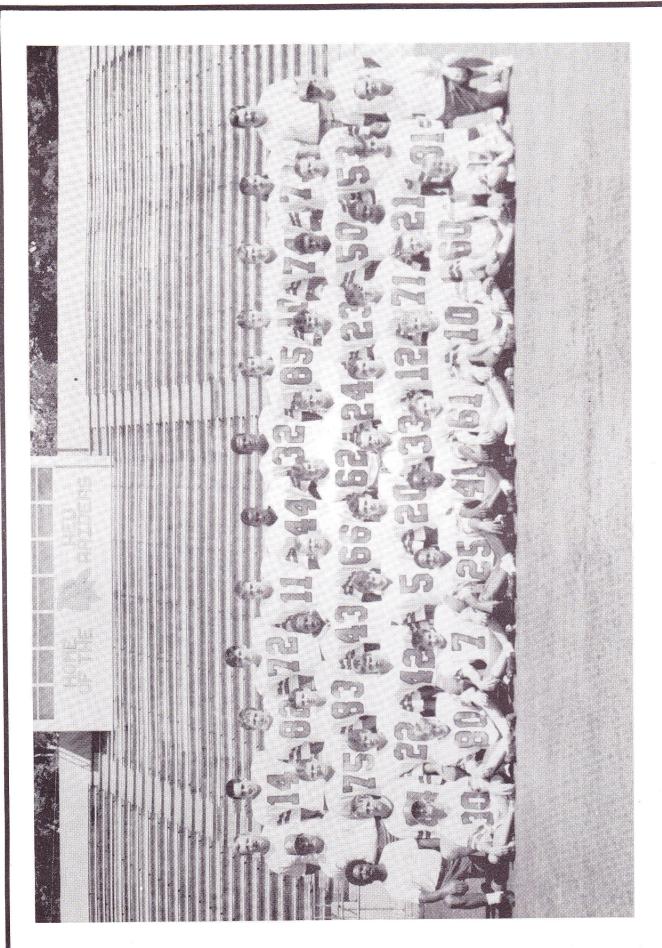

We are most fortunate to have community support second to none. I'm sure you can see the need and importance of extra-curricular activities in the life of your young people. As a great man said, "On the fields of friendly strife are sown the seeds that later on in other fields will reap the harvest of victory."

Thank you again for your support.

John T. Hayes, Principal

L-R. John Faulkenberry, John T. Hayes, and Paul Outlaw.

DR. SAM SHAVER Team Physician

This year's Big Red Salute goes to a very special man who wears a red jacket on the sidelines at the South Point High School football games.

Dr. Sam Shaver has been the Red Raider team physician for 26 years. He has given free physicals each year and has given of his Friday nights during the football season simply because "I love the game of football."

As a matter of fact, Dr. Shaver was a star athlete in four different sports in his hometown of Gurden, Ark. One of those sports was football.

One of the most coveted trophies at each year's Big Red Boosters Club's fall sports banquet is the Dr. Sam Shaver Blocking Trophy. A witty man, he has presented most of his trophies personally. The first presentation was in 1964.

A quarterback in high school, Dr. Shaver also played basketball, baseball, and track and field. Whenever an athlete has problems with various ailments relating to sports injuries, Dr. Shaver is quick to diagnose the type of injury and how it should be treated.

He is a graduate of the University of Arkansas School of Medicine. He received his PhD at the University of Rochester, his BA at American International College, and his MA at the University of Rochester.

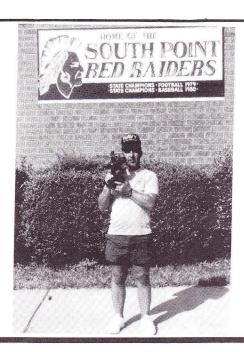

One of Dr. Shaver's and wife Billie's favorite pastime is to enter their beautiful Lhasa apso show dogs in national and international competition. They have had their share of champions.

Dr. Shaver's work with the American Legion in Belmont has been of a high standard, both on a local, state, and national level. He has served as commander of Auten-Stowe Post 144 five times in past years. He has also served as a state commander.

The South Point High School community is fortunate to have such a man as Dr. Sam Shaver as team physician, fan, and friend.

### SOUTH POINT HIGH SCHOOL

The Big Red Booster Club is dedicated to the promotion and support of all fourteen athletic sports at South Point High School. Supplementing the Athletic Department budget and promoting excellence in athletics are two ways which the Booster Club contributes.

The Big Red Booster Club raised over \$60,000 during the 1987 - 1988 school year. These funds were used in ways for improving the facilities and equipment used by all young athletes who participate in the athletic program at South Point High School. Some of these improvements included bleachers for the baseball field, a leg machine for the weight room, jerseys for football team, popcorn machine for concessions, funds for coaching clinics, fertilizer, lime and seed for the athletic fields at South Point High School. Also sponsored were Fall. Spring and Winter Sports Banquets to recognize our athletes.

We would like to express thanks to all who contribute. With the communities support and the participation of the Big Red Booster Club members, we can continue to promote and better develop young athletes through the outstanding Athletic Program at South Point High School.

#### SHRINE BOWL AND EAST-WEST GAME

Since Belmont High School and Cramerton High School consolidated to form South Point High School in 1969, several of the Red Raider stars have played in prestigious post-season games.

One of the highest honors a high school senior football player can attain is to be selected to play in the Shrine Bowl football game each December in Charlotte. It pits 35 of the finest North Carolina seniors against a similar

group from South Carolina.

The attraction benefits the crippled child, and for a player to be chosen to the team is truly a player's dream turned into reality. The East-West football game in Greensboro, played each July during the coaches clinic there, is also a prestigious honor. South Point has been represented by the following:

SHRINE BOWL GAME 1971—Scott Crawford 1973—Jim Stowe 1974—Roger Parker NORTH-SOUTH GAME 1975—Mike Painter 1980—Todd Armstrong

EAST-WEST GAME 1972—Scott Crawford 1974—Jim Stowe 1974—Dennis Grier 1975—Roger Parker 1980—Jeff Williams 1985-Mark Young

# What Makes a Winner?

The winners are the ones who strive for personal excellence . . . who put in the hours of practice . . . endure the discipline . . . give their all in the contest.

R.L. Stowe Mills salutes the athletes who exemplify the spirit of commitment that can make anyone a winner.

We also salute the winners who are a part of our company, who have helped us grow into one of America's leading suppliers of combed cotton yarns. Their skill, their loyalty, give us a crucial competitive edge in an increasingly tough market. It's a challenging game but our team has never settled for less than the best.

And, we salute the winners who stand behind our team, the people who

make this region great. We're proud to make our home here, and share in life in the Carolinas, from sports to the arts, whenever we can, we say thank you for making us winners, too.

R.L.Stowe Mills Inc.

100 N. Main St., Belmont, N.C. 28012

Background of this ad is cotton interlock fabric made from yarn produced by R.L. Stowe Mills, Inc.

# GASTON COLLEGE IS YOUR COLLEGE

At Gaston College, there is something in the curriculum for just about anyone.

Five programs of study are available: two-year degree programs, one-year diploma programs, certificates, continuing education and an ABE/GED program. You may obtain an associate of arts degree in pre-journalism or receive a diploma for automotive and diesel mechanics. Gaston College also offers seminars, workshops and other courses that will change your life.

Gaston College is affordable and convenient. We offer both day and evening courses, and tuition is only \$83 a quarter for a full-time student. You can't afford not to come to Gaston College.

Make Gaston College a bigger part of your life.

# QUICK VAC WASTE SYSTEMS

Completely engineered and designed systems by Quick Vac, Inc. are offered to convey waste automatically from Yarn Manufacturing, Weaving, Finishing, Knitting, Cut and Sew and from Non-Woven Operations.

Waste from textile operations is automatically collected, automatically dumped from our new "low profile" receiver tanks and automatically baled in "low profile" balers; therefore, eliminating manual handling of waste materials.

From pick-up point to standard flat bales, our low profile equipment virtually eliminates

construction of Penthouses as shown above!

Waste can be divided and separated into as many categories as required, using high efficiency HOFFMAN centrifugal vacuum pumps as the back-bone for every system.

Quick Vac also offers complete conversions of your existing manual receiver tanks to automatic dump, manual sweep stations to automatic, and quick opening valves and plenums to remove waste automatically, where manual hose drops may presently be used.

- PLEASE CONTACT US FOR MORE INFORMATION -
