1270 WCGC — THE VOICE OF THE RAIDERS! 5000 WATTS — STEREO

A hearty welcome to Lineberger Stadium and the many enjoyable football games that you will see here. We, the staff at South Point High School, are dedicated to helping each student here to become effective citizens in a democracy. We hope that you will participate in our varied activities that have been planned for our students, friends, and staff.

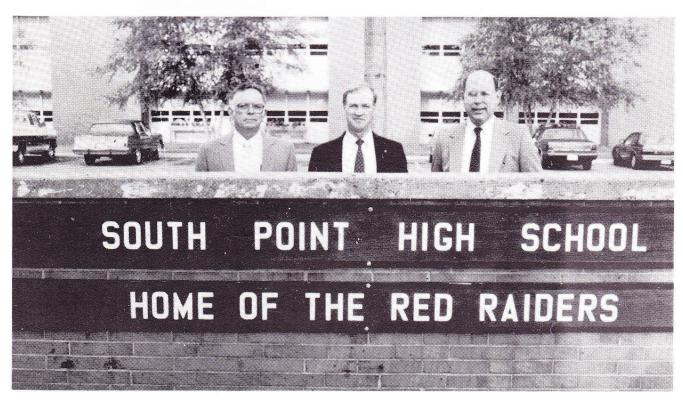

You have always, and I'm sure will continue to support our Big Red Booster Club and our Band Booster Club. Without your continued financial, physical, and moral support to these programs we would be unable to offer desirable experiences for our youth.

Thank you so much for your interest and hard work. You hold the key to our success.

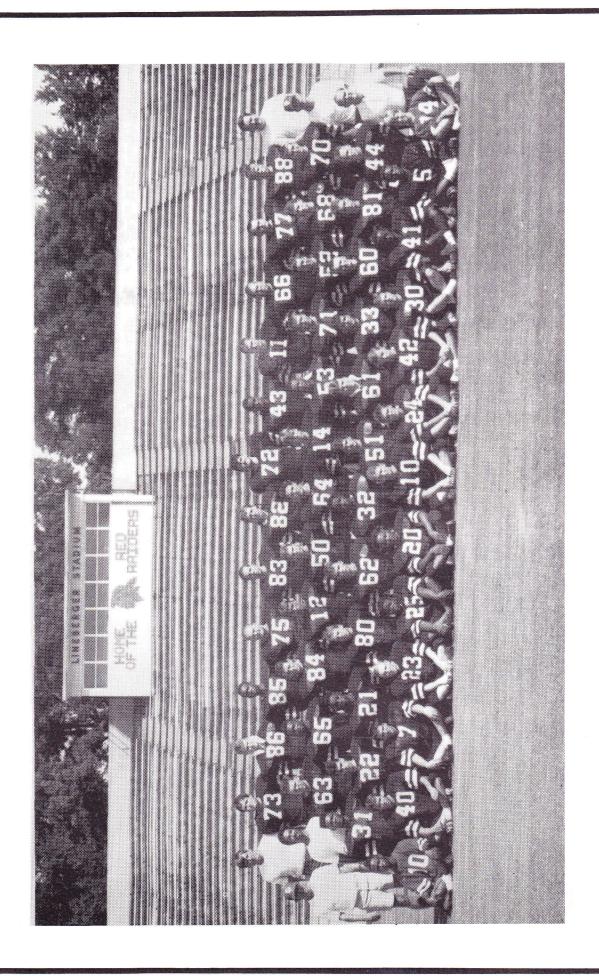

We are most fortunate to have community support second to none. I'm sure you can see the need and importance of extra-curricular activities in the life of your young people. As a great man said, "On the fields of friendly strife are sown the seeds that later on in other fields will reap the harvest of victory."

Thank you again for your support.

Big Red Salute To Bill Abrams

This year's Big Red Salute goes to Rev. Bill Abrams, pastor at South Point Baptist Church, who served as team chaplain for the Red Raiders for six years prior to this season.

Born in Henrietta and a graduate of Chase High School, Rev. Abrams and his family have called Belmont home for the past 12 years.

Rev. Abrams' favorite sports are football and tennis.

"I feel like football does a lot towards drawing the greater South Point community together," he said. "Hopefully, it will help those who wear South Point colors to further enrich their lives, provide them with opportunities down the road, and leave them with many fond memories of their teammates.

"I've enjoyed serving as team chaplain. It's meant a lot to me personally. I'd like to thank the South Point coaching staff and the many outstanding players over the years for providing me with the opportunity to serve them. It has truly been a pleasure."

Rev. Abrams' biggest recollection of Raider football came in 1979, before he was team chaplain, when the Red Raiders went 14-0 and won the state 3-A championship.

He was team chaplain during the 1984 season when the Raiders had a perfect 10-0 season before falling in the first round of the state playoffs. The 1987 team finished 9-3 and beat Canton before falling in the second round.

South Point Baptist Church has steadily grown under Rev. Abrams' ministry. "The Lord has blessed us with the people he's brought to us," he said.

A new sanctuary and administrative area was dedicated in September of 1987.

Rev. Abrams received his B.A. degree in religious education from Gardner Web

Rev. Abrams received his B.A. degree in religious education from Gardner-Webb College, his MD degree at Southern Baptist Theological Seminary in Louisville, KY and his master's degree at UNC-Chapel Hill.

He pastored at Haynes Memorial Baptist in Henrietta prior to coming to Belmont in 1977.

Rev. Abrams and his wife Dianne have a daughter, 17-year-old Angie, who is a senior at South Point this year.

SHRINE BOWL AND **EAST-WEST GAME**

Since Belmont High School and Cramerton High School consolidated to form South Point High School in 1969, several of the Red Raider stars have played in prestigious post-season games.

One of the highest honors a high school senior football player can attain is to be selected to play in the Shrine Bowl football game each December in Charlotte. It pits 35 of the finest North Carolina seniors against a similar group from South Carolina.

The attraction benefits the crippled child, and for a player to be chosen to the team is truly a player's dream turned into reality. The East-West football game in Greensboro, played each July during the coaches clinic there, is also a prestigious honor. South Point has been represented by the following:

Paul Cameron and WBTV 3 SPORTS are On Your Side with the Choice Natural Player of the Week!

What Makes a Winner?

The winners are the ones who strive for personal excellence . . . who put in the hours of practice . . . endure the discipline . . . give their all in the contest.

R.L. Stowe Mills salutes the athletes who exemplify the spirit of commitment

that can make anyone a winner.

We also salute the winners who are a part of our company, who have helped us grow into one of America's leading suppliers of combed cotton yarns. Their skill, their loyalty, give us a crucial competitive edge in an increasingly tough market. It's a challenging game but our team has never settled for less than the best.

And, we salute the winners who stand behind our team, the people who

make this region great. We're proud to make our home here. and share in life in the Carolinas, from sports to the arts, whenever we can, we say thank you for making us winners, too.

100 N. Main St., Belmont, N.C. 28012

Background of this ad is cotton interlock fabric made from yarn produced by R.L. Stowe Mills, Inc.

YOU'RE INVITED...

to visit one of the most inspiring, exciting, and enjoyable churches in the Belmont area - the South Point Baptist Church, located off of South Point Road, on Horsley Avenue. It is our desire to assist in making our community the right kind of environment to raise our youth and children.

It would sincerely please all of us for you to come and visit our Sunday Services so that you might see first hand what is going on in our community.

QUICK VAC WASTE SYSTEMS

Completely engineered and designed systems by Quick Vac, Inc. are offered to convey waste automatically from Yarn Manufacturing, Weaving, Finishing, Knitting, Cut and Sew and from Non-Woven Operations.

Waste from textile operations is automatically collected, automatically dumped from our new "low profile" receiver tanks and automatically baled in "low profile" balers; therefore, eliminating manual handling of waste materials.

From pick-up point to standard flat bales, our low profile equipment virtually eliminates

construction of Penthouses as shown above!

Waste can be divided and separated into as many categories as required, using high efficiency HOFFMAN centrifugal vacuum pumps as the back-bone for every system.

Quick Vac also offers complete conversions of your existing manual receiver tanks to automatic dump, manual sweep stations to automatic, and quick opening valves and plenums to remove waste automatically, where manual hose drops may presently be used.

- PLEASE CONTACT US FOR MORE INFORMATION -
