BOOSTER CLUB

SOUTH POINT HIGH SCHOOL

The Big Red Booster Club is dedicated to the promotion and support of all athletic sports at South Point High School.

Our goal is to help fulfill the needs of our Athletic Department so that they may continue to offer and promote excellence in the athletic program.

The funds of the Big Red Booster Club has furnished things like: uniforms for baseball, warmups for basketball, shirts for softball, sweats for tennis, renovation of the baseball field, soccer balls, and radios for football games. There are many other ways in which the Booster Club has supplemented the Athletic Department's budget that, we can't list them all. Booster Club members work in the concession stands and assist the coaches in maintaining the athletic facilities. Also sponsored by the Booster Club were sports banquets to honor our athletes.

We would like to express our thanks to all who have contributed their time and monies. With the community's support and the participation of the Big Red Booster Club Members, we can continue to promote and better develop our young athletes at South Point High School through an outstanding Athletic Department.

Thanks,

Big Red Booster Club

Welcome to the home of the South Point Red Raiders where spirit, pride, and tradition are the bywords of a school in which the community takes pride.

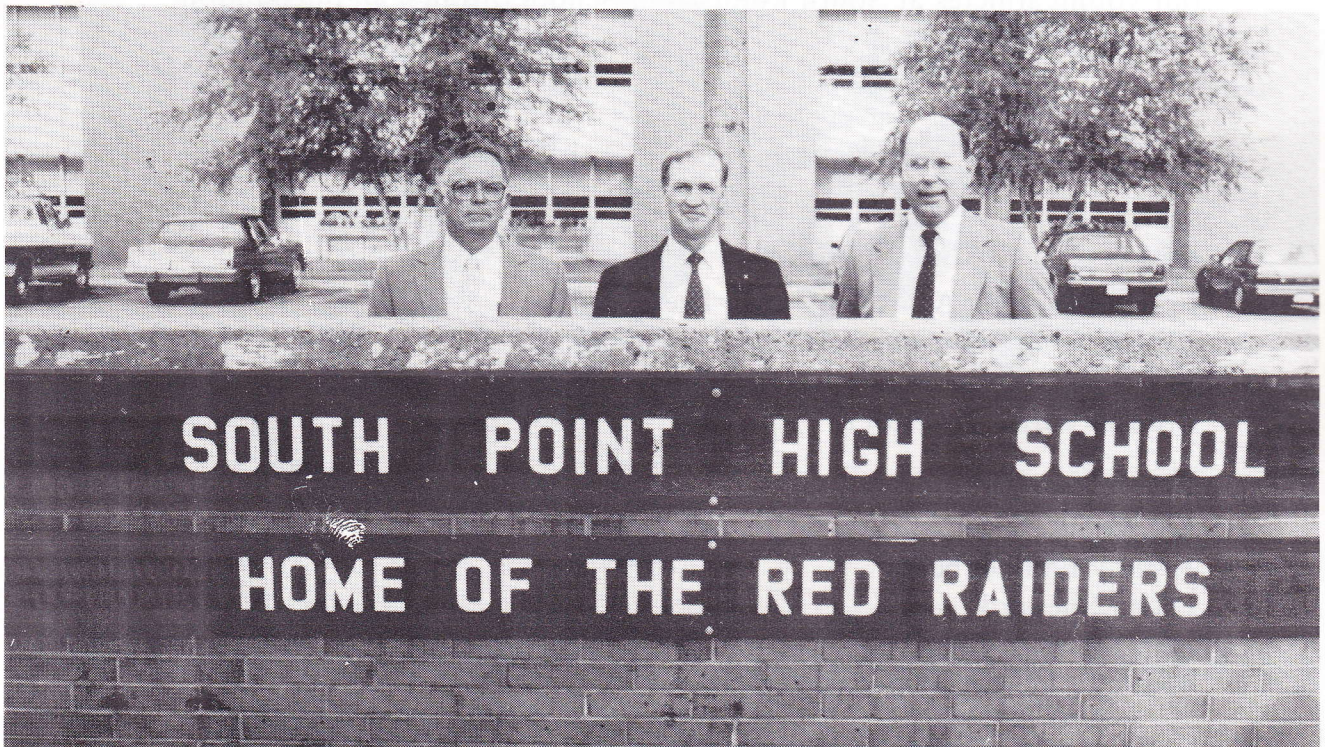

The ultimate purpose of education is to help each student become an effective citizen in a democracy, and there is no better place to learn to accept the responsibilities and obligations of good citizenship which help us to participate successfully in the world of tomorrow than on the playing field.

The success of our program here at South Point will be in direct proportion to your efforts as parents and friends at South Point. We hope that you will continue to participate in the varied activities that have been planned for our students. Without your continued financial, moral, and physical support we would not be able to offer our youth desirable experiences.

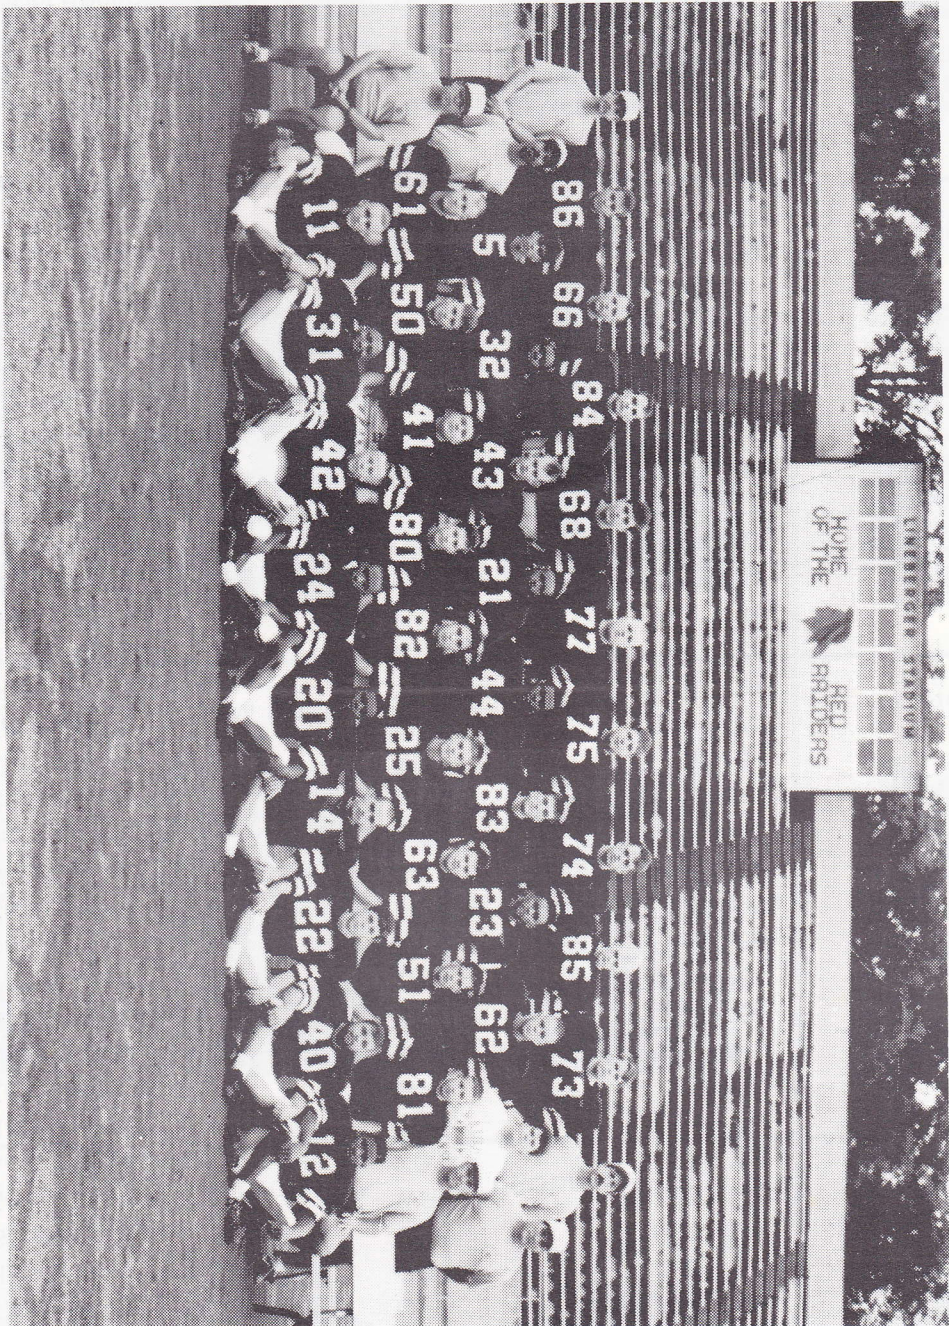

I am sure that you as a parent can see the need for and the results of extra-curricular activities in the lives of our young people. Academics will continue to be our primary purpose here at South Point, but it is a fact that a well-rounded student is one who takes part in many student activities. That student is more likely to succeed in his future endeavors.

South Point is very fortunate to have community support "second to none." Thank you again for your wonderful support. We could never hope to have a better support team than you. We appreciate you, and our staff and students appreciate you.

John T. Hayes, Principal

The Big Red Booster Club would like to dedicate this year's football program to Johnny and Jeanette Faulkenberry for all the years they have supported the Booster Club. All successful organizations usually have someone who is always there to do whatever is needed, whenever it's needed, and seldom does everyone know who did it or how it got done. Johnny and Jeanette are those folks for the Big Red Booster Club. They served as Co-Vice Presidents to the Booster Club for 10 years and both are past winners of the Joe Steele Fan Appreciation Award. They also have been members of Band Boosters for 15 years.

Some of the things they do include: setting up concession stands, ordering and stacking concession supplies, opening and closing concession stands, coordinating volunteers to work the concession stands and make sandwiches to feed the players, opening the school and setting up for our Booster Club meetings, baking cookies, helping find storage for all our Booster Club "stuff," and the list goes on and on.

Johnny and Jeanette have worked in the Gaston County School System for a combined 63 years. Johnny has been an Assistant Principal at South Point for the past 7 years and Jeanette retired from teaching at Paige Elementary last year.

The Big Red Booster Club would not be the success it is today without Johnny and Jeanette. We can never thank them enough for all their years of service to the Booster Club.

SHRINE BOWL AND EAST-WEST GAME

Since Belmont High School and Cramerton High School consolidated to form South Point High School in 1969, several of the Red Raider stars have played in prestigious post-season games.

One of the highest honors a high school senior football player can attain is to be selected to play in the Shrine Bowl football game each December in Charlotte. It pits 35 of the finest North Carolina seniors against a similar group from South Carolina.

The attraction benefits the crippled child, and for a player to be chosen to the team is truly a player's dream turned into reality. The East-West football game in Greensboro, played each July during the coaches clinic there, is also a prestigious honor. South Point has been represented by the following:

What Makes a Winner?

The winners are the ones who strive for personal excellence . . . who put in the hours of practice . . . endure the discipline . . . give their all in the contest.

R.L. Stowe Mills salutes the athletes who exemplify the spirit of commitment that can make anyone a winner.

We also salute the winners who are a part of our company, who have helped us grow into one of America's leading suppliers of combed cotton yarns. Their skill, their loyalty, give us a crucial competitive edge in an increasingly tough market. It's a challenging game but our team has never settled for less than the best.

And, we salute the winners who stand behind our team, the people who make this region great. We're proud to make our home here, and share in life in the Carolinas, from sports to the arts, whenever we can, we say thank you for making us winners, too.
