BIG RED BOOSTER CLUB

SOUTH POINT HIGH SCHOOL

The Big Red Booster Club is dedicated to the promotion and support of all athletic sports at South Point High School.

Our goal is to help fulfill the needs of our Athletic Department so that they may continue to offer and promote excellence in the athletic program.

The funds of the Big Red Booster Club has furnished things like: uniforms for baseball, warmups for basketball, shirts for softball, sweats for tennis, renovation of the baseball field, soccer balls, and radios for football games. There are many other ways in which the Booster Club has supplemented the Athletic Department's budget that, we can't list them all. Booster Club members work in the concession stands and assist the coaches in maintaining the athletic facilities. Also sponsored by the Booster Club were sports banquets to honor our athletes.

We would like to express our thanks to all who have contributed their time and monies. With the community's support and the participation of the Big Red Booster Club Members, we can continue to promote and better develop our young athletes at South Point High School through an outstanding Athletic Department.

Thanks,

Big Red Booster Club

Welcome to the home of the South Point Red Raiders where spirit, pride, and tradition are the bywords of a school in which the community takes pride.

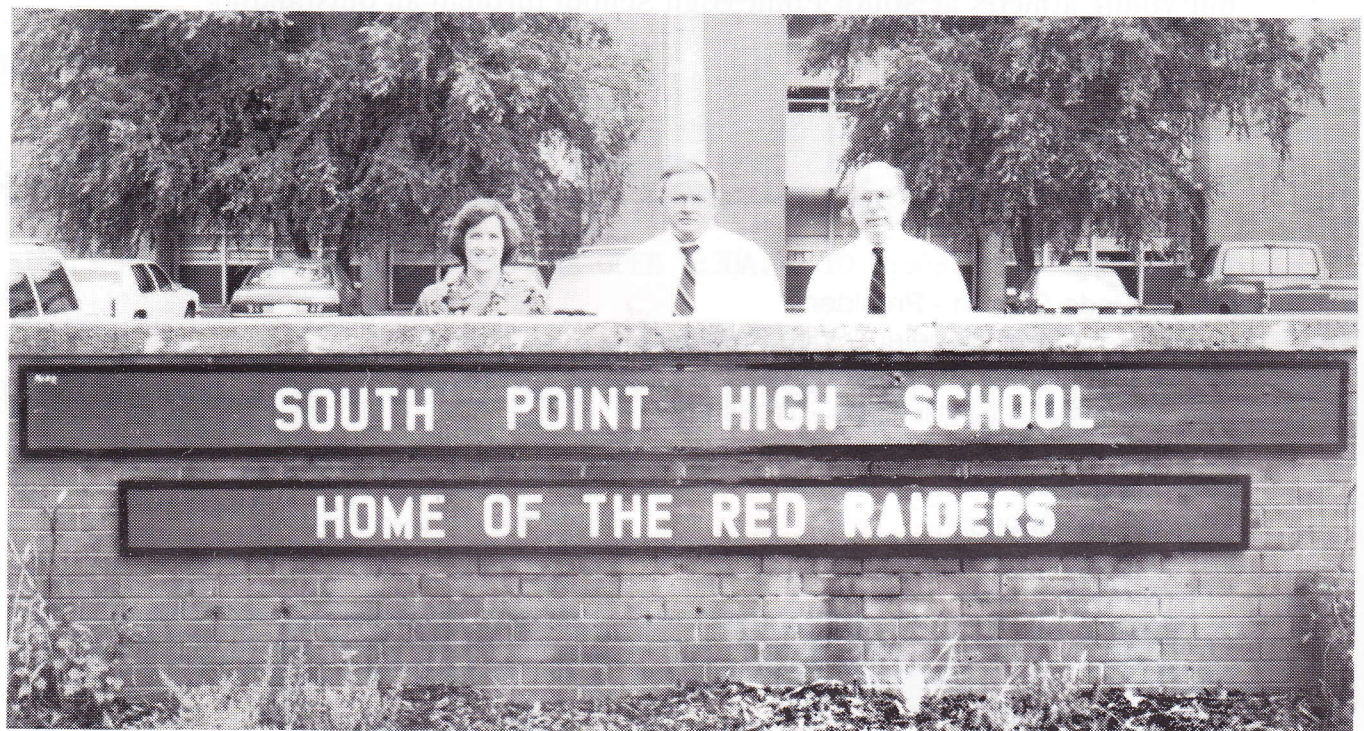

The ultimate purpose of education is to help each student become an effective citizen in a democracy, and there is no better place to learn to accept the responsibilities and obligations of good citizenship which help us to participate successfully in the world of tomorrow than on the playing field.

The success of our program here at South Point will be in direct proportion to your efforts as parents and friends at South Point. We hope that you will continue to participate in the varied activities that have been planned for our students. Without your continued financial, moral, and physical support we would not be able to offer our youth desirable experiences.

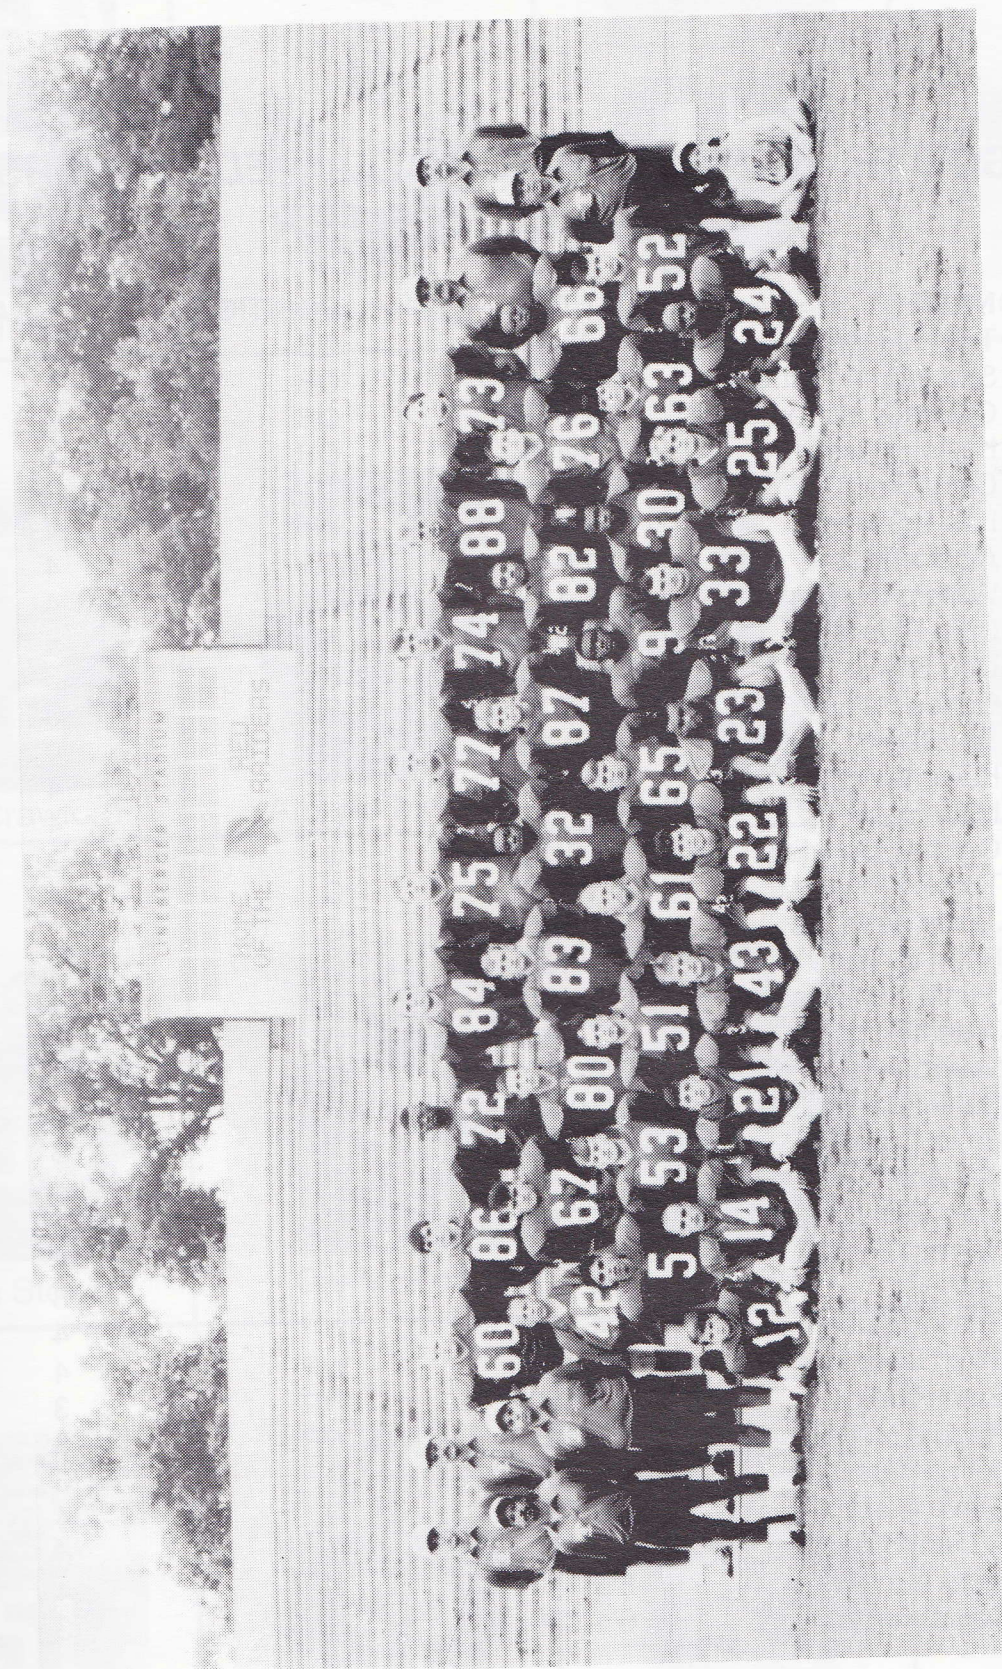

I am sure that you as a parent can see the need for and the results of extra-curricular activities in the lives of our young people. Academics will continue to be our primary purpose here at South Point, but it is a fact that a well-rounded student is one who takes part in many student activities. That student is more likely to succeed in his future endeavors.

South Point is very fortunate to have community support "second to none." Thank you again for your wonderful support. We could never hope to have a better support team than you. We appreciate you, and our staff and students appreciate you.

Wishing Tippy All The Best

This year's Big Red Boosters Club salute goes to a familiar face who will be missing from the South Point scene this year.

John "Tippy" Hayes, who first was a teacher and a coach at old Belmont High School starting in 1958, has left South Point as principal after 35 years in this area.

Tippy, who has been a strong supporter of young people all his life, has moved to the central office in Gastonia as the new school non-violence coordinator. He was principal at Catawba Heights for two years, at North Belmont for nine years, and at Belmont Junior High for seven years. He served for eight years at South Point.

He has done much in the way of community service in Belmont and will continue as president of the Belmont Community Organization (BCO). A 1992 Citizen of the Year in Belmont, he came here in 1958 with his wife, the former Martha House of Wilson.

After attending Bragton Prep in Durham, Hayes attended East Carolina University, where he was a track and football standout. He is also a Korean War veteran.

Hayes coached basketball for 10 years in Belmont and became the winningest coach in Red Raider cage history, compiling a 132-57 record and several conference championships.

"When you've been in the coaching, teaching, and administrative field for 35 years, it's not easy to say goodbye," Tippy says. "I'll miss the kids and the staff. It will definitely be a new experience for me."

When Tippy first came to Belmont with his bride, they looked so freshly-scrubbed that many mistook them for high school students.

On his first day as a teacher and coach at old Belmont High, one of the women teachers saw him in the hall and said, "Son, would you please take that big box of textbooks up to my classroom."

The new teacher gladly obliged, and he's done a lot for others ever since. It had actually started when he was a teenager. He began early in life rendering assistance to those in need. As a teenager, he gave of his time in working with children.

Later, as a college student excelling in both academics and athletics, he still found time to surround himself with projects that served the needs of disadvantaged children. Following graduation and entering the professional job market, he united with civic organizations and gave of his time on week-

ends in programs serving young people.

The pattern of giving of himself has continued, his life organized around service to others. He is a person who gets things done and makes possible new degrees of service to the community. He has that special quality of self-investment, always rising to the opportunity.

He has served for the past 13 years as head of the BCO, always making himself available to meet the need of others. He does much of the manual labor himself, giving of his energy and his personal equipment. Through his involvement with the BCO, his contributions as a powerful motivator and a quiet achiever are unequalled.

Horace Mann, called by many the father of our American public school system, once said, "Be ashamed to die until you have won some victory for humanity."

When he was named Citizen of the Year in 1992, a friend, fellow Kiwanian David Robinson, said of Tippy, "Tonight we honor one who has won many victories through his extraordinary contributions to serving others and improving the quality of life for the young people of this city, and certainly those citizens with special needs."

Hayes is a member of Ebenezer United Methodist Church. He and his wife have two grown children, Buddy and Julie.

Athletic Director Mickey Lineberger paid Hayes the following tribute in The Belmont Banner: "We've been lucky to have had him. He's a caring person. He cares about people. He's taken people who didn't have much of a chance of making it under his wing and pulled them through. More than once I've seen him pull \$2 out of his pocket so some student could eat lunch, or give kids rides home from school."

"We're going to miss a man who really cared about the kids and who was loyal to his teachers. It didn't matter whether a kid was upper class, lower class, black or white, they always got equal treatment and equal opportunity."

"He affected a lot of lives of coaches, teachers, and countless thousands of kids who have gone through the school system. He's gone full cycle in his duties, and now he takes on a new challenge. He will be successful in his new

job because he has successfully met to many challenges all his life."

When Tippy and Martha came to Belmont in 1958, he owned a '50 Plymouth and two degrees. They had one suitcase and slept on the floor that first night in town.

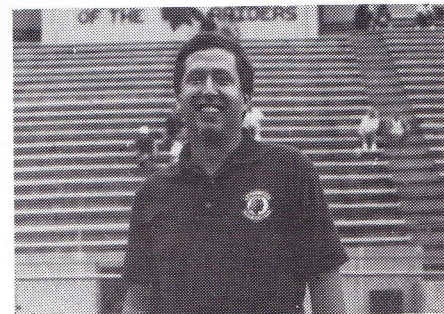

Thirty-eight years later, they would be welcome in any home in Belmont. And Tippy still wonders what ever happened to that '50 Plymouth.

SHRINE BOWL AND EAST-WEST GAME

Since Belmont High School and Cramerton High School consolidated to form South Point High School in 1969, several of the Red Raider stars have played in prestigious post-season games.

One of the highest honors a high school senior football player can attain is to be selected to play in the Shrine Bowl football game each December in Charlotte. It pits 35 of the finest North Carolina seniors against a similar group from South Carolina.

The attraction benefits the crippled child, and for a player to be chosen to the team is truly a player's dream turned into reality. The East-West football game in Greensboro, played each July during the coaches clinic there, is also a prestigious honor. South Point has been represented by the following:

SHRINE BOWL GAME

1971—Scott Crawford
1973—Jim Stowe
1974—Roger Parker
1989—Willie Strain

NORTH-SOUTH GAME

1975—Mike Painter

What Makes a Winner?

The winners are the ones who strive for personal excellence . . . who put in the hours of practice . . . endure the discipline . . . give their all in the contest.

R.L. Stowe Mills salutes the athletes who exemplify the spirit of commitment that can make anyone a winner.

We also salute the winners who are a part of our company, who have helped us grow into one of America's leading suppliers of combed cotton yarns. Their skill, their loyalty, give us a crucial competitive edge in an increasingly tough market. It's a challenging game but our team has never settled for less than the best.

And, we salute the winners who stand behind our team, the people who make this region great. We're proud to make our home here, and share in life in the Carolinas, from sports to the arts, whenever we can, we say thank you for making us winners, too.

The Advantages Of Natural Gas Shouldn't Shock You.

It should come as no surprise that natural gas is the best method to heat water, cook your meals and warm your home. It heats water twice as fast as electricity for half the cost, and can cut your heating bill by up to 40%. Clean, safe, efficient natural gas. It's something you can feel good about using. For more information, call your local Public Service Company office.
