# BIG RED BOOSTER CLUB

SOUTH POINT HIGH SCHOOL

The Big Red Booster Club is dedicated to the promotion and support of all athletic sports at South Point High School.

Our goal is to help fulfill the needs of our Athletic Department so that they may continue to offer and promote excellence in the athletic program.

The funds of the Big Red Booster Club has furnished things like: uniforms for baseball, warmups for basketball, shirts for softball, sweats for tennis, renovation of the baseball field, soccer balls, and radios for football games. There are many other ways in which the Booster Club has supplemented the Athletic Department's budget that, we can't list them all. Booster Club members work in the concession stands and assist the coaches in maintaining the athletic facilities. Also sponsored by the Booster Club were sports banquets to honor our athletes.

We would like to express our thanks to all who have contributed their time and monies. With the community's support and the participation of the Big Red Booster Club Members, we can continue to promote and better develop our young athletes at South Point High School through an outstanding Athletic Department.

Thanks,

Big Red Booster Club

Welcome to the home of the South Point Red Raiders where spirit, pride, and tradition are the bywords of a school in which the community takes pride.

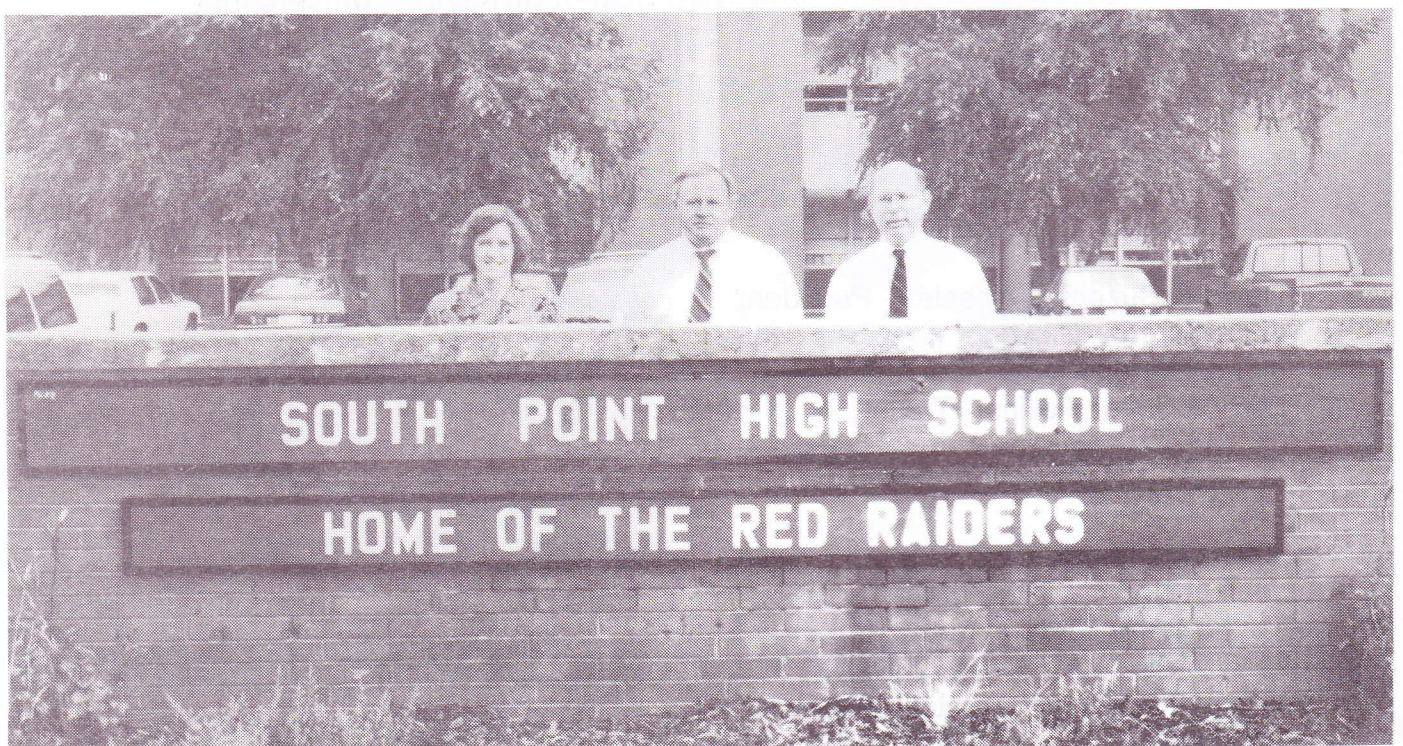

The ultimate purpose of education is to help each student become an effective citizen in a democracy, and there is no better place to learn to accept the responsibilities and obligations of good citizenship which help us to participate successfully in the world of tomorrow than on the playing field.

The success of our program here at South Point will be in direct proportion to your efforts as parents and friends at South Point. We hope that you will continue to participate in the varied activities that have been planned for our students. Without your continued financial, moral, and physical support we would not be able to offer our youth desirable experiences.

I am sure that you as a parent can see the need for and the results of extra-curricular activities in the lives of our young people. Academics will continue to be our primary purpose here at South Point, but it is a fact that a well-rounded student is one who takes part in many student activities. That student is more likely to succeed in his future endeavors.

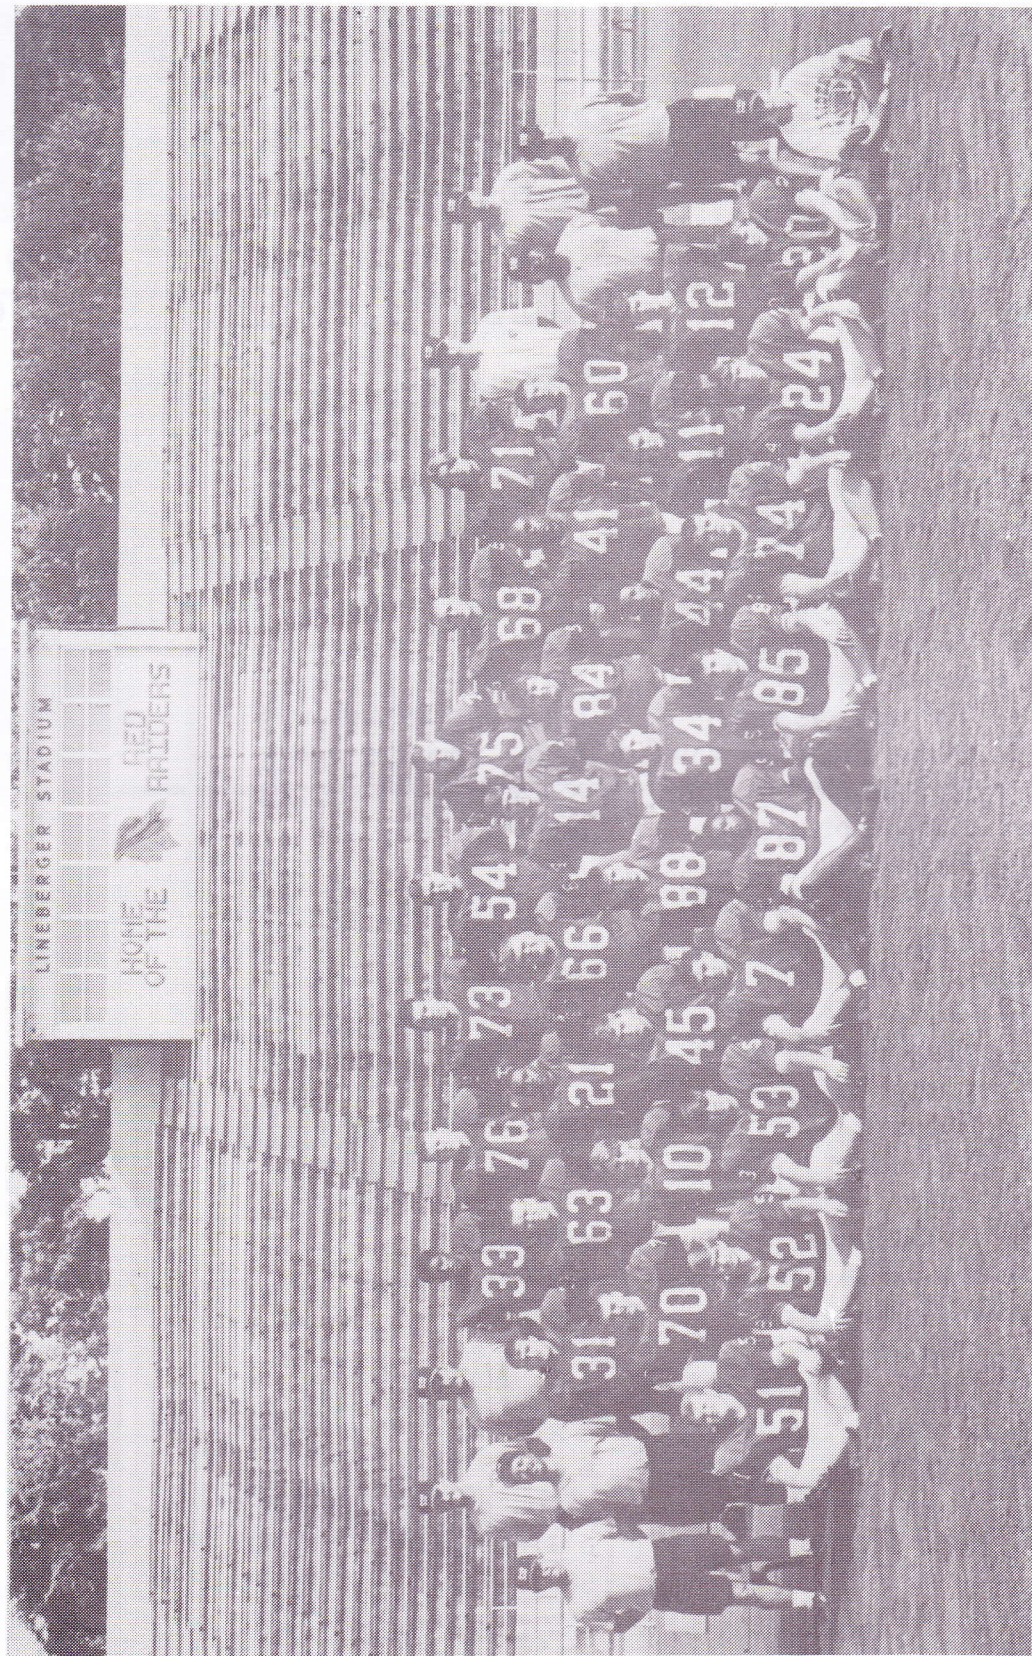

South Point is very fortunate to have community support "second to none." Thank you again for your wonderful support. We could never hope to have a better support team than you. We appreciate you, and our staff and students appreciate you.

He never wants any credit for his relentless efforts in helping our Booster Club.

He spends countless hours "behind the scenes" helping get our football programs ready. He is a very caring and unselfish individual. He has said many times - "The Booster Club is for the Kids". He truly means this, He wants to help every child in our area succeed, and for them to be the very best they can be. His dedication to the booster club, and what it's all about is evident when you talk to him, or watch him work every Friday night at the home ball games.

It is time to honor Larry Rollins for his hard work and dedication to the Big Red Booster Club.

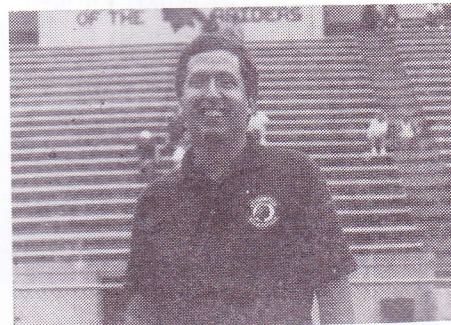

Thanks... Larry for your many years of service to South Point High School and the young people that attend. Over the years you have made a lot of difference in the lives of the young people in our community, and from the bottom of our hearts we say

## SHRINE BOWL AND EAST-WEST GAME

Since Belmont High School and Cramerton High School consolidated to form South Point High School in 1969, several of the Red Raider stars have played in prestigious post-season games.

One of the highest honors a high school senior football player can attain is to be selected to play in the Shrine Bowl football game each December in Charlotte. It pits 35 of the finest North Carolina seniors against a similar group from South Carolina.

The attraction benefits the crippled child, and for a player to be chosen to the team is truly a player's dream turned into reality. The East-West football game in Greensboro, played each July during the coaches clinic there, is also a prestigious honor. South Point has been represented by the following:

# The Advantages Of Natural Gas Shouldn't Shock You.

It should come as no surprise that natural gas is the best method to heat water, cook your meals and warm your home. It heats water twice as fast as electricity for half the cost, and can cut your heating bill by up to 40%. Clean, safe, efficient natural gas. It's something you can feel good about using.
