# TONIGHT'S GAME

Tonight the Big MAC champ Tuscola Mountaineers play host to the South Point Red Raiders in the second round of the State 3 A play-offs and the final home game of the season. South Point finished the regular season as champs of the Southwestern and the second-ranked 3 A team in the state.

No. 1 ranked Farmville was eliminated in the first round of the play-offs, and the Raiders seem to be the heir apparent to the top spot. Though most football fans, including Raider Coach Jim Biggerstaff, choose to discount the prep rankings, the fact remains that South Point enters tonight's quarterfinal as the only unbeaten and untied 3 A team in the state, with an 11-0 record.

"It's been defense that's got us where we are," said Biggerstaff, but some credit must be awarded stand-out quarterback Jeff Williams. Williams is a dangerous passer and keeper on the Raider Power-I option attack, and is considered a major college prospect.

Mountaineer Coach Steve Hodgin agrees that defense will be "key" tonight, predicting "If our defense has a good game this Friday night, we'll win." Hodgin concludes that his team has worked hard toward making '79 a championship year, and "South Point is another obstacle in the way."
